

The Anatomists' Toolkit Workshop Series

Launching our new workshop series 'The Anatomists' Toolkit'.

These workshops are FREE to attend for all AS members. They are short, interactive workshops which aim to help participants develop their education toolkit and hone their skills.

- Single day events
- Free
- 2 workshops (11-12:30, 1:30-3)
- Great networking opportunity

Planned topics:

- Ultrasound
- Body painting
- Blended learning
- Flipped classroom approaches
- Writing aims, outcomes and objectives
- Writing exam questions/ an introduction to test-wiseness
- External examining
- Developing evaluation strategies
- Utilising imaging in teaching and assessment
- Curriculum development and blueprinting

If you have suggestions for future workshops or wish to contribute to workshop facilitation please the Education Officer, Dr Gabrielle Finn
gabrielle.finn@hyms.ac.uk
