

Contact Details and Submission

Abstract submission is electronic only. The abstracts should be sent to: BAScongress.2023@medfac.mu-sofia.bg. All correspondence is sent by e-mail.

Abstract structure

The abstracts should be arranged under the following headings: **Introduction, Material, and Methods, Results, Discussion, and Conclusion.** Abstracts have to be in English, with a line spacing of 1.5, justified with 2.5 cm margins. The authors are advised to use Microsoft Word regardless of the version, **Times New Roman as a font, 12 pt throughout the text**

The abstract includes:

- **Title** – concise and informative;
- **Author(s)' names and affiliations** – indicate the given name(s) and family name(s) of all authors. Present the authors' affiliation addresses below the names. Indicate all affiliations with a lower-case superscript after the author's name and in front of the appropriate address.
- **Presenting author** – clearly indicate who will handle the correspondence for the abstract submission and presentation of the work by highlighting their name. An e-mail should be provided. The preferred way of presentation (oral/poster) ought to be explicitly stated.
- **Abstract** – **should not exceed 250 words.** It should state briefly the aim of the work, the principal results, and major conclusions. References and uncommon, or non-standard abbreviations should be avoided.
- **Keywords** – provide **up to 5 keywords.** Avoid general, plural, and multiple concepts.

Introduction – state the objectives of the work and provide an adequate background, avoiding a detailed literature survey or summary of the results.

Material and Methods – provide a brief overview.

Results – should be clear and concise.

Discussion – should explore the significance of the results. A combined *Results and Discussion* section is often appropriate.

Conclusions – these should be presented in a short section.

NB! Units – please, use the International System of Units (SI).

The deadline for abstract submission is July 15, 2023.
